Alejandra Urueña

Technical UX/UI Designer

alejauruena.github.io/portfolio | uruenale@gmail.com | linkedin.com/in/aleja-uruena | Bogotá, Colombia

Technical UX/UI Designer for digital product and games, skilled in front-end development. I deliver precise, evidence-driven UX documentation, prototyping & implementation. Experienced in QA, user psychology, usability and storytelling to ensure user-centered solutions.

TOOLS & SKILLS

DESIGN — (Figma · Adobe) Wireframing · User flows · Design Systems · Interactive Prototyping

RESEARCH & QUALITY — Usability testing · UX heuristic inspection · Agile methodologies

DEVELOPMENT & PRODUCTIVITY — (Unity · Unreal Engine · HTML/CSS · GitHub · Jira/Trello) Claude AI automation

SOFT SKILLS — Stakeholder collaboration · Cross-functional teamwork · Critical Thinking · Problem Solving

EXPERIENCE

QA Analyst / Support Designer — Dreams Uncorporated (promoted in Jan 2026) Aug 2025 – Present

DESIGN

- Improved user experience through as-is/to-be flows, prototypes integrated with Figma and game mechanic redesigns on **GreenCode: Play and Learn (British Council)**, a published cross-platform title.
- Enhanced and redesigned UI from wireframes, to prototypes and final mockups, for a second title under NDA.
- Achieved player-centered design standards through direct iteration with stakeholders and external clients.
- Contributed UX proposals, journey maps, flows and light Unity implementation on other QA projects.

QUALITY

- Evaluated features and performance across 7+ projects on console, PC, web and mobile, documenting user friction with reproducible evidence and test cases.

QA & Design Intern — Dreams Uncorporated Feb 2025 – Aug 2025

Freelance UI Designer / Web Implementation — games and digital media Project-based, 2023 – 2025

- Designed concept art and UI for an indie game; built a responsive Wix Studio site from a teammate's designs.

Recent Game Jams — UI design, UI implementation in Unity and writing Oct 2023 – Jan 2026

Global Game Jam Globant 2026 · Global Game Jam Globant 2025 · Women Game Jam 2024

SELECTED WORK

GreenCode: Play & Learn (British Council) — ***UX & Game Design***
UX flows, prototyping and mechanic redesign for the level editor of an app teaching computational thinking.

Universo Maloka — ***UI Art & Prototyping***
UI art, prototypes and part of the design system for a gamified map app, approved by Maloka Museum.

ACHIEVEMENTS

GDC 2024 Scholarship — awarded by COVA and LATAM VGF with TGyJ Colombia · San Francisco, US.

Women in Games Ambassador 2024 — advocacy for diversity in games, eSports and creative industries.

EDUCATION

Interaction Design Degree — Jorge Tadeo Lozano University, Bogotá, Colombia 2021 – 2025
